About Us

Honeywell® Batteries are engineered for hand-held bar code scanners/mobile computers, portable printers, two-way radios, and uninterruptible power supply systems (UPS). We also produce a line of intelligent battery chargers and we design custom applications for clients' specific mobile power needs. We are proud to be a leader in Mobile Power Technology, design and development.

The cornerstones of our business are product quality, customer service, immediate availability and attractive pricing.

We look forward to serving you.
